

ELECTRONIC INFORMATION DISCLOSURE STATEMENT

Electronic Version v18

Stylesheet Version v18.0

Title of Invention	RING TOPPED ROAD DELINEATOR WITH SHELTERED TIE-ON TERMINAL																																																																														
Application Number:	10/617429 																																																																														
Confirmation Number:	3230																																																																														
First Named Applicant:	Joe Dvoracek																																																																														
Attorney Docket Number:	Dvorac.J-08																																																																														
Art Unit:	3671																																																																														
Search string:	(D406543 or D412131 or D419901 or 3380428 or 3933118 or 5036791 or 5749673 or 5908262 or 6014941 or 6131320).pn.																																																																														
<p>Certification: This Information Disclosure Statement was submitted under the following conditions, which satisfies the requirement under 37 CFR 1.97(e). The filer certified:</p> <p>That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.</p>
